## ELECTRONIC COMMUNICATIONS DEVICES (ECD) POLICY

**WHAT:** To encourage an environment that promotes RMYLC educational objectives, a ban on all Electronic Communication Devices (ECDs) is enforced. ECDs include but are not limited to laptop computers, cell/smart phones, tablets, iPads, smart watches or similar devices. ***ECD's detract from our educational goals and the overall conference learning experience --- these devices are not to be brought to the conference.***

**WHY:** The primary responsibility of the Rocky Mountain Youth Leadership Foundation Board of Trustees is to provide a safe environment for all students at the RMYLC. The second responsibility, as fundamental as the primary, is to provide an educational experience that develops leadership, patriotism and free enterprise competencies for all students.

The RMYLC provides an experiential educational forum for all students. Distractions are kept to a minimum to accomplish our learning objectives and ECDs create distractions that impede student performance. Experiential learning is accomplished through single tasking (rather than multi-tasking) where students develop concentration skills. Through concentration skills, students acquire teamwork, collaboration and communication tools and strategies. Single tasking promotes character, discipline and tempers procrastination. Thus, although the advantages of technology are well known; to achieve conference learning objectives we promote concentration skills through experiential learning.

We also intend to create a "level playing field," since some of the conference is done with the students working together, in small groups, in team competition with other groups, to solve situational problems where there is a definite team advantage (and a definite dilution of desired learning outcomes) if ECDs are available.

**OTHER:** If an ECD is brought to the conference, it is the student's responsibility to declare and deposit the item(s) for safe keeping with conference staff at the Monday morning registration. The ECD(s) will be returned at checkout. Students should review paragraph L. Dismissal.

***Emergencies.*** RMYLF trustees and the RMYLC staff recognize that student-parent communication might be necessary during the conference. Information providing numbers and procedures, both normal and in case of emergencies, are provided within this handbook (p. 15). Parents are encouraged to keep a copy of this page at home to facilitate communications with their student.

Please understand that our purpose is not to restrict the freedoms that we all enjoy and normally expect as citizens of our great nation. The purpose is to protect the well-being and best interests of all students and focus the overall educational experience. Thank you for your understanding and cooperation.

## STUDENT CONTACT PHONE NUMBERS

Registration will take place in the Greenhorn Residence Hall, in the foyer on the main level. Enter through the door on the north side of the building. Take the central ramp up from the parking lot and the main door straight ahead. Staff will be there to assist. Please do not use the traffic circle south of the residence hall. This area is restricted.

## C. Thursday Banquet Only

The Graduation Banquet will be held Thursday, Jun 27, 2024, in the Occhiato Student Center Ballroom on the CSU-P campus. Parents, guardians, and guests may park in the N-2 Lot (**BLUE** route). If the student is leaving after the Banquet (early departure), it may be easier to park in the N-8 lot (**BROWN** route) and walk about a block to the banquet location. This will make it easier to pick up your student's belongings after he/she out-processes in the Greenhorn Residence Hall after the banquet. Please do not park in lots other than N-2 or N-8, as you will be subject to fine by CSU-P.
